Rays – DOLS

The District Officials Learning Seminar (DOLS) brought together 60+ officials of the incoming District Rotaract Council for a 2-day workshop designed to educate, equip, and entertain them through various curated sessions by eminent speakers.

Day 1: The day kicked off with an inspiring inauguration by Rtn. Dr. Ravi Varma and Rtn. Sesha M Sai. Rtr. Gopinath led a lively icebreaker, setting the tone for impactful sessions on communication, personal growth, and project planning by Rtn. Krishna Prasad, PDRR Rtn. PHF Girish Easwaran, and DRRE Rtr. PP PHF Vignesh Chandran.

A panel with 4 past DRRs, quick insights from Rtr. PP PHF Bavithra, Meera, and Rishab, and a powerful keynote by DG Rtn. AKS Vinod Saraogi wrapped up a truly transformative day.

Day 2: Participants escaped the city buzz for a refreshing rural retreat at Farmguru, Sholavaram. With MC Adavadi Ansar's fun activities and DJ Tamzz's beats, the energy stayed high. A pump set bath, hearty lunch, and candid clicks made it a perfect chill day.

Leap

PELS & SELS

The Presidents Elect & Secretaries Elect Learning Seminar (PELS & SELS) brought together 80+ incoming club leaders for a 2-day RYLA-style workshop designed to help them confidently take a leap – not just a step – in the right direction.

Day 1: We set the tone from the get-go with sessions that blended insight with interaction. After a fun morning travel to the venue, a warm welcome with the Inauguration, and an energizing Icebreaker by Rtr. PP. Sheikh Mohammed, participants leapt into transformational learning with "Rewriting Your Club's Destiny" by PDRR Solomon Victor, followed by focused breakout sessions for Presidents and Secretaries by PDRR Rtn. Prasanna Rajagopalan & Rtr. PP. Swathi Sujir respectively, and the essential Project Planning session by DRRE Rtr. PP. PHF. Vignesh Chandran. The evening continued with a lively all-women panel discussion on what happens "Inside the Command Centre" and concluded on a high note with the DJ Night.

Day 2: We began the day bright and early with a crash course on RI-recommended guidelines for photos by Rtr. PP. Vignesh P S, followed by sessions on Rotary Brand Guidelines by IPDRR Rtr. PP. PHF. Sasikumar and the Rotary Website by PDRR Rtr. PP. PHF. Essaki Sekar, helping participants align club communication with global standards. Later, DRR Rtr. PP. PHF. Sathish Kumar shared the year plan and set his expectations for the year. The day culminated with a memorable Valedictory & Graduation Ceremony, where all participants were clad in graduation attire and presented with a 'diploma.'

Moments & Memories

The PELS & SELS seminar was a well-organized, interactive experience. The venue was spacious and professional, and sessions ran smoothly with no delays. Engaging activities kept us involved throughout. The food was excellent on both days. Key highlights included the impactful branding session by Sasi anna and the informative RI website walkthrough by Essaki anna. Overall, a memorable and insightful seminar for club administration.

The PELS and SELS sessions were truly insightful and professionally organized. The sessions helped us understand the roles and responsibilities of a President and Secretary in Rotaract, from basic to advanced levels. The speakers were engaging and informative, making the learning experience both clear and valuable. We also developed some lovely bonds with fellow members through fun games and ice-breaking activities, which made the experience even more enjoyable.

PELS & SELS was an enriching experience. Rtr. Swathi's session gave great clarity on the Secretary's role, and Rtr. Sheik's icebreaker set the tone with energy and fun. The breakout by PDRR Sol offered fresh, impactful insights. Grateful to AVIT for the warm hospitality and to DRR Sathish anna, DRS Aishwarya, and Team LEAP for curating such a meaningful seminar.

"Only those who dare to rise above the ordinary will ever touch the extraordinary."

Secretary-RaC Madras

LEAP was more than a seminar — it was a journey of growth and connection. From Rtr. Sheik anna's icebreaker to powerful sessions by PDRRs Sol, Prasanna , & Rtr. Vignesh, every moment brought clarity and purpose. Guidance from DRR Sasikumar, IPDRR Essaki, and DRRE Sathish felt like a true leadership roadmap. Wearing the yellow coat at graduation was both an ending and a beginning. Grateful to every speaker, organizer, and teammate — LEAP is a memory I'll always hold close.

DO's Application Process

An offbeat, examination-style recruitment process that witnessed 100+ Rotaractors aspiring to be a District Official. Candidates turned up in person, handed in their phones, and tackled a 4-page application form filled with thoughtful, quirky, and creative questions designed to judge their intent, ideas, and instincts. What could've been a tense process turned into a fun, light-hearted memory that helped us find the right candidates to assist in running the District Rotaract Council.

Rise Cult

A one-day retreat where 60+ Presidents and Secretaries swapped formal shoes for farm boots at Farmguru. True to its name, the event celebrated growth by cultivating bonds while literally cultivating the soil. From ploughing and naathu naduthal (sowing), to a refreshing pump set bath and a hearty lunch, it was a day of getting hands and legs dirty in the best way possible by rising together as a team while staying rooted in culture and purpose.

Editor's Table

Dear reader,

On behalf of the District Secretarial Team, thank you for choosing to read Edition 1 of The Rising Sun (and this message). We initiated this newsletter to provide a monthly round-up on all the happenings of Rotary International District 3234. In a way, this is our little project to help our members rise above unawareness, be well-informed about every project, event, and initiative we undertake, and be inspired for what's next.

I hope you continue showing the same attention and appreciation to our upcoming editions as you did this one. Please look forward to a notification from us on the 1st of every month!

Wish you a Happy Rotary Year 2025-26! May this be a year of rising above challenges, expectations, and obstacles & uniting for the good of our movement.

Best Regards,
Rtr. Aishwarya M,
District Rotaract Secretary
RI District 3234

We don't want Rotaractors to donate more.

We want more Rotaractors to donate.

This year, we're reimagining how we honour our guests.
Rather than spending on conventional gifts, we aim to craft handmade tokens of appreciation – thoughtful, low or no-cost mementos made with care. The amount saved from this gesture will be contributed to The Rotary Foundation, enabling a ripple effect of good far beyond our events.
We also encourage our Rotaract Clubs to add their own twist to this idea and donate even the smallest amount saved to TRF.
